

SafeSend Returns™ for Your Income Taxes

Enjoy automated delivery, review and signature of your federal and state business, individual and trust tax returns.

With SafeSend Returns, you can take care of the delivery, review and sign your federal and state tax returns from the convenience of your computer, smartphone or tablet.

If applicable, you can also manage your Schedule K-1s electronically so you can focus on what matters most, your business.

1 Receive an email from KDP Certified Public Accountants, LLP at noreply@safesendreturns.com. Add this email address to your safe list to prevent it from being sent to your spam or junk file.

2 Click on the safe link to access your tax return. Select "request access code." Then enter the access code you receive via email into the required field.

3 Review and download your documents and distribute K-1s (if applicable).

4 Electronically sign your e-file forms. They will be returned to KDP Certified Public Accountants, LLP through SafeSend Returns.
